K-67 Bacterial Drain & Trap Cleaner

ROEBIC K-67 Bacterial Drain and Trap Cleaner contains no harsh chemicals and works through bacterial and enzymatic action. Unlike ordinary drain cleaners, **K-67** will not harm the natural bacteria in septic systems. It is non-corrosive and will not damage pipes or burn skin. Safe for toilets.

Applied monthly, **K-67** keeps pipes and traps flowing freely. Use as needed to reopen slow and sluggish drains.

DIRECTIONS

SINK, TUBS, or SHOWER DRAINS: Mix two level capfuls into 12 oz WARM water until all the white powder has dissolved. Pour into drain and allow to stand overnight (6-8 hours).

TOILETS: Dissolve 2-3 tablespoons of K-67 into 1 gallon WARM water and flush. Do not use for 6-8 hours.

GARBAGE DISPOSALS: Mix four level CAPFULS into 16oz. WARM water. While pouring into disposal, turn on and off once. Let stand overnight, rinse with warm water in morning.

Non-Flammable

CAUTION: Harmful if taken internally.
Keep out of reach of children
